## A Few Kind Words

Football is a funny game...

Easter weekend saw the 1st team have two games in three days. First up we were at Ngongotaha where we put together our best performance of the season yet went down 1-0 to a nice strike. We created enough opportunities to at least leave with a point, but it was another day of not finishing chances and we left empty handed.

An early injury to Dwayne gave another youngster an opportunity to play and young William put in a very good display. Special mention also to Jono who has saved a penalty, and then the re-take, to keep us in the game. Our quality in the final third needs some attention.

Secondly we had Rotorua United at home in the Chatham Cup... and this is where football can play funny games with your mind. After 35 minutes we had completely dominated, attacked down both wings, had great control of the midfield through Scott and Jamie, and Rotorua honestly looked out of the game. Then they go 1-0 up. It sums up our season so far. As soon as we got back to 1-1 early in the 2nd spell we started to dictate again, then three goals that can only be described as top draw finishes at any level has us all wondering what has gone wrong...

So we finally dominate a side playing exactly how we want to play football and get beat 4-1. Congratulations to Rotorua and good luck to them in the next round, they are top of their league and I can see why with finishing like that.

Today we welcome Tauranga City for our third meeting of the year already. We are really looking for a big response from the team today. We need to play a bit more from the heart, sharpen up our ball speed and decision making, and a touch of quality and luck in the final third wouldn't go amiss either.

However everybody should remain positive because this side can play football and we are only an inch or two away from producing the goods (and goals).

Thanks for your support and see you after the game!
