

PULLING A SWIFT ONE

Official Matamata AFC match day programme

Matamata Swifts v Waikato Unicol

WaIBOP Federation League Division 1

Saturday June 7, 2014

Matamata Domain, Matamata

Kick-off 2.45pm

A Few Kind Words

This has, without a doubt, been a difficult season for our first team, as the Federation League Division 1 table shows. No-one likes being at the bottom of the table and it's been a long, long time since we've been in this position. It's tough but we'll get through it.

Our club turns 85 next year and over the years we've performed better at times, but we've also been a lot worse at a far lower level than where we are now. It wasn't all that long ago, for instance, we struggled to get one side on the field in the local Waikato leagues.

I know our Chris, Thomas and the players are working hard to turn things around and that effort alone deserves the right sort of payback.

I'd like to wish Scottie all the best in his recovery after his recent operation. Those who were at the Domain for the Taupo game will have seen the challenge and I'm sure you're all aware of the damage it did. In probably the cruelest of ironies, the perpetrator will be allowed back on the field today while Scott will be out for weeks if not months. Football's an unfair mistress at times...

Our Under-17s are at home tomorrow afternoon and I'd encourage anyone who's around at 1pm to shoot down for a look. The team is playing in an incredibly competitive league and they're holding their own, which is promising for the future. The Reserves and Ladies continue their successful seasons on the road this weekend.

On behalf of the club's management committee I'd like to thank our loyal and supportive group of sponsors. Over the years we've been lucky enough to have a number of local firms back what we're trying to do here at the Swifts, both at senior level and also through the youth and junior sections of our club. Turn to page 4 to see who these firms are. I'd encourage you to support them when you can.

I'd like to welcome Unicol to the Domain. They need the points almost as much as us today so I expect there won't be any small amount of desperation on show. It's shaping up as a competitive encounter which could be compelling viewing for the fans.
